

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility's Dietary Department will be serving a lovely turkey dinner with all the trimmings for every resident.

Also, as a reminder, we can only offer face time and window visits over the holiday due to extremely high positivity rate of COVID -19 in Washoe County. If you would like to use either of these visitation methods, please pre – schedule a time by calling our Receptionist at 775-829-7220.

As a reminder, our total number of cases to date are as follows: seventy residents and twenty -five staff members have tested positive for COVID-19. We continue to screen all of our employees on a twice weekly basis .Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Lakeside Health & Wellness Suites, I wish you a happy and safe Thanksgiving.

Sincerely,

Ellen Kelly
