

WEEKLY UPDATE

November 6, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had seventy residents and twenty-two staff members test positive for COVID-19.

We have now completed two full weeks of facility wide testing of all residents and employees. All tests were negative. We will resume twice weekly testing of all employees as the Washoe County positivity rate currently exceeds 11%. This high positivity rate also prevents us from opening up to any on site visitation at this time. Our Window Visit and I pad Face Time Schedules remain available for your use in the interim .

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-829-7220.

Sincerely,

Ellen Kelly
